

Classic C3

The original plate joiner that is affordable for every workshop

Choose Lamello for precision, reliability, longevity and profit

Classic C3

Multifunction
Square Stop

With the compliments of:

Multifunction Square Stop

Always parallel to front plate because of our dovetail design

Flush outside mitre joints, even with different thicknesses

Attach the fence to the bottom of the cassette for a large and safe working surface while inverted

Cassette Guides

Swiss quality guide ways

Central locking system

Quickly open the cassette base with one thumbscrew

Swivel Fence

Quickly pivot from 0° to 90°

Accurate ball detent stops at 22.5°/45°/67.5°

Easy to read scale for height adjustment of the Multifunction Square Stop in mm or Inches
